The auditing carried out to confirm that your company's quality assurance system complies with AQAP-2210 requirements, has been completed.

It is certified that your company's quality assurance system explained in Quality Manual KEK Ed.:AO dated 29 January 2019 complies with AQAP-2210 requirements for production mentioned below.

"Software Based System Design, Development, Integration and Maintenance."

This certificate is valid until 01 August 2022 by 17.00 o'clock.

Ministry of National Defence of the Republic of Turkey Industrial Quality Level Evaluation Commission will continuously monitor and audit effectiveness and application of the quality assurance system.

This certificate will be subject to cancel if changes and renewals to be made in the system defined in quality manual presented to the Ministry of National Defence are not submitted to and approved by Ministry of National Defence previously or in the case that results of periodical reviews are negative.
